Dear Mr. Whipple:

Last week Charlotte hosted the 133<sup>rd</sup> Annual Session of the National Baptist Convention, USA, Inc. It was an amazing success. Thank you so much for your support as a participant in the business directory. We also wanted to remind you of our commitment to continue to list all business directory advertisers on the local host committee website ([www.2013nbccarolinas.com](http://www.2013nbccarolinas.com)) for at least 90 days following the convention.

Enclosed please find a copy of the business directory for your records. May God continue to bless you in all your business endeavors. Thank you again for your support.

Sincerely,

Carolyn Mints
